

Manage bank branch – By HO

Version 1.0

Date 19.12.2024

The purpose of this document to show how a Ho user can manage their respective bank branch in PMFME portal. The user has the option to Add & Edit the details of the bank branch.

S. No.	Option	Description	Details
1.	Add Bank Branch	Add a new branch to the portal with all mandatory details.	 Enter the branch IFSC, MICR, address, and other mandatory fields. Save the branch details.
2.	Edit Bank Branch	Modify existing branch details or enable/disable branch visibility in searches.	 Search by IFSC code to retrieve branch details. Update address, MICR, or any other fields. Set the status to Enable or Disable and save changes.

Adding a Bank Branch

Step 1: Log in to the system using valid HO credentials. Navigate to the left-side menu and click on "Bank User Management". From the submenu, select "Add Bank Branch".

<table-row> Home</table-row>		ADD BRANCH	
- Marrie 1996			
Merge IFSC		Enter STATE BANK OF INDIA IFSC only*
